

Sika Italia S.p.A. · Via Luigi Einaudi, 6 · 20068 Peschiera Borromeo (MI) · Italy  
Messrs.

Subject: **Transmission of Safety data sheets**  
**(art. 31 of the Regulation (EC) No. 1907/2006 - REACH)**

Peschiera Borromeo,  
22 June 2016

Dear Customer,

according to the obligations specified by the above Regulation for the supplier of a substance/mixture, we inform you that we have updated the safety data sheets - SDS - of our products.

The update was necessary to apply the *Regulation (EC) No. 1272/2008 - CLP* - and the *Annex II of the Regulation 453/2010 amending Annex II of the Regulation (EC) No. 1907/2006 - REACH*.

The web site of Sika Italia SpA now contains a section with the most updated revision of the safety data sheets in .pdf format, so that they can be easily viewed.

An automatic delivery service of the SDS via e-mail is also being activated in combination with the delivery of products purchased from us.

We will soon send you all the SDS for the products you have purchased in the last 12 months from us to the e-mail address that our Sales Dept. has.

Should you need to change the e-mail address for the forwarding of the SDS, please send the new one to the following address:

- [didonfrancesco.elisabetta@it.sika.com](mailto:didonfrancesco.elisabetta@it.sika.com)

We remain at your disposal for any further information and thank you for your time.

Yours sincerely,
